Valid from January 1st, 2016

Cruise vessels, as defined by The Swedish Maritime Administration, shall pay port and stevedoring dues according to below stated pricelist or in accordance with separate agreement.

1. Port dues

1.1 Tonnage dues

The tonnage due is payable each time a vessel calls Port of Ystad and is based on the vessels gross tonnage.

Cruise vessels per gross tonnage for the arrival day	SEK 3,90

If the same vessel during the cruise season (May 1st – September 30th) calls the port more than once, the following price shall apply according to "1.1 Tonnage dues" above.

for the 2nd call	SEK 2,93
for the 3rd call and thereafter	SEK 1,95

Cruise vessel using tender boats, and therefore not entering the port, pays 50 percent of above stated fee.

1.2 Passenger dues

Passenger dues are calculated based on the number of passengers on board the cruise vessel.

Due per passenger	SEK 20,00

1.3 Waste disposal dues

Lump-sum per call	SEK 4 000,00

1.4 Lay-day dues

Additional lay-days dues will be charged for each 24 hours mooring period. Lay-day dues will be charged according to "1.1 Tonnage dues above" with 50 percent reduction.

1.5 Delivery of fresh water

Fresh water per started cubic meter	SEK 46,00
Connection fee	SEK 500,00

1.6 Security costs according to ISPS-code

ISPS fee per passenger	SEK 15,00
Minimum fee per call	*SEK 6 000,00*

2. Stevedoring dues

2.1 Mooring and unmooring

This pricelist applies for mooring and unmooring work in connection with vessels arrival or departure from Port of Ystad:

Deadweight (DW)	Monday – Friday 07.00 – 16.00	Weekdays 16.00 – 07.00, weekends and official holidays
< 4 999	SEK 2 040,00	SEK 3 273,00
> 5 000	SEK 3 995,00	SEK 6 460,00
Waiting time per hour and boatman	SEK 1 063,00	SEK 1 615,00

3. Terms and conditions

All dues and fees are charged in accordance with this pricelist after the Masters declaration has been submitted by the vessels Master, Owner or Agent. The port has the right to demand any information necessary to meet any legal requirements imposed by government or in order to fulfill the security measurements in accordance with the ISPS-code.

Payment conditions of 21 days after the date of invoice apply unless otherwise agreed. In case of delay in payment, interest on overdue payment will be charged.

All prices stated in this pricelist exclude VAT.

If vessel call is cancelled, Port of Ystad regardless reserves the right to charge as if the call was implemented.

Ports of Sweden General Conditions 1989 for terminal operations are applicable to all offers and assignments.

The vessel shall at all times comply with the by the City Council decided Local order and safety for Ystad Port - Port regulations, and all general conditions in force at any time.
